JET SKI® STX®160 SERIES

IGNITE THE FUN

When calm waters need stirring up, look to the new Jet Ski® STX®160 personal watercraft for the perfect dose of fun. With three model variations for 2020, the Jet Ski STX160 Series

offers multiple trim levels to choose from, all with class-leading acceleration, agile handling performance and three-person seating.

JET SKI® STX®160 SERIES

Jet Ski® STX®160 in Gelcoat Crystal White/Sunbeam Red

POWER

A high-performance 1,498cc inline four-cylinder engine is the muscle behind the new Jet Ski® STX®160 personal watercraft. The Ninja® sportbike-based engine delivers a thrilling ride with class-leading power and acceleration. Excellent fuel economy and low emissions, courtesy of efficient digital fuel injection, mean you can enjoy a longer day on the water.

Jet Ski® STX®160LX in Ebony/Candy Lime Green

Jet Ski® STX®160X in Ebony/Riptide Turquoise

HULL & DECK

The Jet Ski® STX®160 personal watercraft features a balanced and responsive-handling hull that offers outstanding straight-line stability and agile maneuverability. Sleek and dynamic new styling includes a new nose grill and an aggressive new upper deck design that offers sharp looks while helping minimize water intrusion into the gunwales for enhanced comfort. A large rear deck makes boarding easy and offers a convenient platform to prepare for tow sport runs.

JET SKI® STX®160 SERIES

Jet Ski® STX®160 in Gelcoat Crystal White/Sunbeam Red

ELECTRONICS

Electronic features of the new Jet Ski® STX®160 personal watercraft bring performance technology to riders of all skill levels, with the Kawasaki Smart Steering® system, Smart Learning Operation (SLO) and cruise control. The Kawasaki Smart Steering system monitors steering input and engine speed to assist handling under certain conditions, such as when the throttle is released from high speed and a turn is initiated. Choose your power level with two separate keys. The yellow key activates SLO mode with engine power reduced by 30% to aid newer riders and the green key initiates full power. Cruise control allows riders to maintain a constant engine speed, a convenient feature for long distance cruising, and also offers push-button adjustability (X and LX models only) to meter your cruising speed.

COMFORT & CONVENIENCE

Performance and convenience come together on the Jet Ski® STX®160 personal watercraft. Lose track of time on the water thanks to well-thought-out details like the comfortable riding position, light throttle lever feel, and all-digital multi-function instrumentation with an easy-to-read LCD meter panel. Two conveniently located cupholders help you stay hydrated during a long ride. Climbing aboard is aided by an extended retractable re-boarding step at the rear and a two-step rear grab bar. A massive storage capacity of 35 gallons and an industry-first slide and lift rear seat offer easy access to rear storage so you can stow everything you need. Plus, with a class-leading fuel capacity of 20.6 gallons, you can keep the water-filled fun going all day long.

JET SKI® STX®160LX

The new Jet Ski® STX®160LX personal watercraft leads the series with luxury and includes premium features such as a JETSOUND® Bluetooth® audio system, LXury seat and comfort handle grips. Elevate each riding experience with your favorite music from the updated JETSOUND® audio system that includes Bluetooth®, USB and AUX compatibility. The three-passenger LXury seat features enhanced lumbar support.

Kawasaki

2020

JET SKI® ULTRA® LX

SOAK UP THE FUN

Comfort meets performance. The Kawasaki Jet Ski® Ultra® LX personal watercraft combines power and handling for all-day confidence. Keep your belongings sealed and safe with an industry-leading 56-gallon

storage capacity. Pack everything you need for a fun-fueled day on the water. An all-digital LCD screen allows you to easily monitor trip information in bright conditions.

JET SKI® ULTRA® LX

CRUISE COMFORTABLY

Details matter. The three-passenger LXury seat maximizes comfort and support to make spending more time on the water a priority.

PLENTIFUL POWER

The four-stroke, naturally-aspirated 1,498cc engine of the Jet Ski® Ultra® LX personal watercraft produces abundant power with strong acceleration. Take your aquatic adventures the distance thanks to the 20.6-gallon fuel capacity.

Jet Ski® Ultra® LX in Ebony/Pearl Citrus Yellow

DEEP-V HULL

The 22.5-degree deep-V hull makes cutting through waves easier than ever. Race-inspired sponsons help maintain traction on the water when performing turns for precise handling and optimum performance.

Kawasaki

**INTERCOOLED
SUPERCHARGED**

2020

JET SKI® ULTRA® 310 SERIES

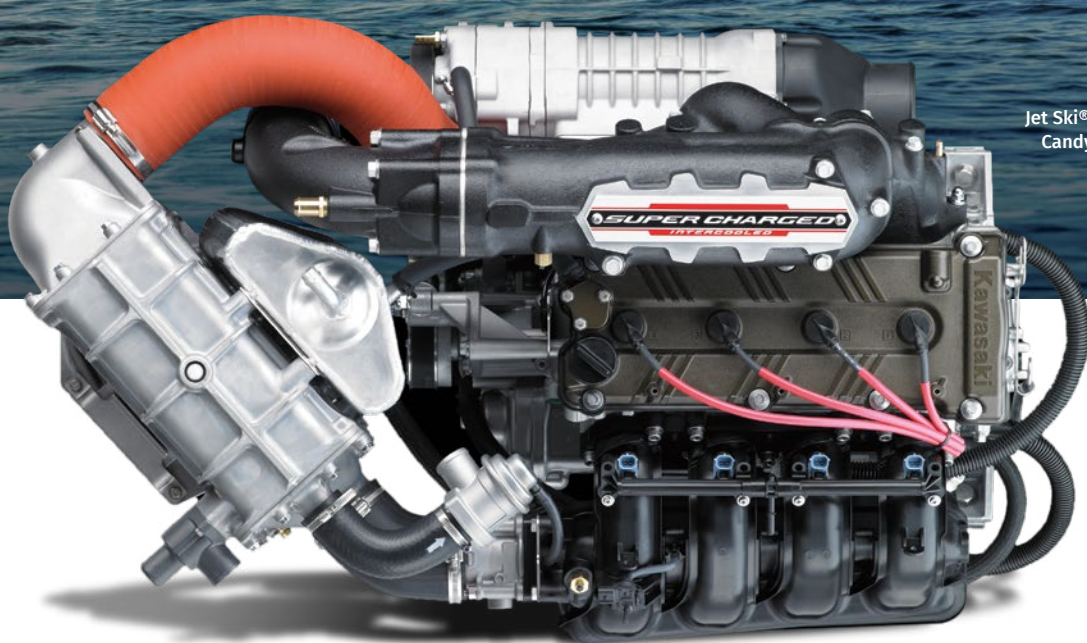

SUPERCHARGE YOUR EXPERIENCE

The Ultra® 310 Series is the most powerful production personal watercraft lineup in the world. The Jet Ski® Ultra® 310 Series watercraft are built for anything from relaxing cruises while jamming to your

favorite songs around the lake to winning races on the open ocean. A class-leading 20.6-gallon fuel capacity and 56-gallon storage compartment prepare you for all-day fun on the water.

JET SKI® ULTRA® 310 SERIES

Jet Ski® Ultra® 310X in
Candy Steel Furnace
Orange/Ebony

SUPERCHARGED THRILLS

The standard for absolute power and acceleration is set. The 1,498cc inline four-cylinder, supercharged engine dominates the waters. The high-tech Eaton Twin Vortices Series (TVS) supercharger raises the bar and delivers next-level fun.

KAWASAKI SMART STEERING®

Kawasaki Smart Steering® monitors steering input and engine speed to assist with handling. When the throttle is released at high speeds, the system offers assistance to execute a turn.

JET SKI® ULTRA® 310 SERIES

RIDING MODES & CRUISE CONTROL

Managed by the Electronic Control Unit (ECU), the Electronic Throttle Valve (ETV) allows multiple riding modes to be activated. Ride through no-wake zones with one-touch 5 mph mode, while Fuel Economy Assistance Mode optimizes fuel efficiency. Key-activated Smart Learning Operation (SLO) assists newer riders and reduces engine power output as well as top speed.

DEEP-V HULL

Designed with Kawasaki's championship-winning race machines in mind, the 22.5-degree deep-V hull enables the watercraft to manage swells and waves with extreme efficiency and less shock. Tuned sponsons increase straight-line stability and high-grip performance during turns.

Jet Ski® Ultra® 310R in Ebony/Lime Green

JET SKI® ULTRA® 310 SERIES

Jet Ski® Ultra® 310LX in Metallic Carbon Gray

PROPULSION SYSTEM

The Direct Drive Axial Flow Pump houses a 160mm stainless steel impeller that converts the power of the engine into 1,890 pounds of forward thrust. The leading-edge shape of the impeller helps provide incredible acceleration, while the intake grate helps maintain a steady flow of water to the impeller.

ELECTRIC TRIM-CONTROL

The Electric Trim-Control (ETC) system is an advanced feature that enables the rider to adjust handling characteristics. The ETC controls the angle of the jet pump nozzle to adjust the hull attitude for specific water surface conditions or riding style.

Jet Ski® Ultra® 310X in
Candy Steel Furnace Orange/Ebony

JET SKI® ULTRA® 310LX

Luxury gets a boost with the supercharged Jet Ski® Ultra® 310LX personal watercraft. The JETSOUND® audio system, industry-exclusive heat-resistant LXury seat and GPS mount let you explore uncharted waters in unparalleled comfort.

Jet Ski® Ultra® 310LX in
Metallic Carbon Gray

JET SKI® ULTRA® 310R

Set your sights on being unstoppable. The Jet Ski® Ultra® 310R personal watercraft leads the pack with phenomenal power, all-digital instrumentation, gripper seat material, motocross-style handlebar and class-leading handling. Reign over the competition with the Jet Ski Ultra 310R.

Professional rider(s) on a closed course.

JET SKI® ULTRA® 310X

Power meets innovation. Not only is the Jet Ski® Ultra® 310X the most powerful production personal watercraft in the world, it's also one of the most advanced. Take on the day with confidence. Kawasaki Smart Steering® assists with handling when the throttle is released at high speeds. A deep-V hull provides class-leading performance in a variety of conditions.

The background of the advertisement is a close-up, low-angle shot of the front of a Kawasaki Jet Ski. The hull is black with vibrant green and grey geometric graphics. The Kawasaki logo is prominently displayed at the top. The overall aesthetic is sleek and high-performance.

Kawasaki

2020

JET SKI® SX-R™

STANDING OVATION

Kawasaki continues to raise the bar higher with the four stroke Jet Ski® SX-R™ stand-up watercraft. The race-ready Jet Ski SX-R comes packed with powerful thrust and agile rider-active handling from the V-shape hull that redefines

comfort and confidence on the water. Exceptional cornering performance and acceleration create a whole new level of exhilaration, giving new meaning to the stand-up watercraft world.

JET SKI® SX-R™

POWERFUL ENGINE

Kawasaki set the standard for power with the 1,498cc inline four-stroke engine. Inspired by legendary Ninja® sportbike performance, it's the hardest accelerating production stand-up Jet Ski® personal watercraft ever. Ample thrust and abundant torque maximize rider confidence for all-day fun.

Jet Ski® SX-R™ in Ebony/Lime Green

V-SHAPE HULL

The V-shape hull design delivers light handling and agility for ultimate exhilaration. The hull lowers and centralizes the engine for maximum cornering performance, handling and balance.

Jet Ski® SX-R™ in Ebony/Lime Green

Jet Ski® SX-R™ in Ebony/Lime Green

Jet Ski® SX-R™ in Ebony/Lime Green

SAFE & SECURE

A key-operated magnetic ignition switch is designed to deter theft. A wrist lanyard connected to the engine stop switch automatically cuts power when the lanyard is disengaged.

JET SKI®

LIMITED WARRANTY

Your new Kawasaki Jet Ski® watercraft comes with a 12-month Limited Warranty.

UP TO FOUR YEARS EXTENDED COVERAGE

Let Kawasaki protect your new Jet Ski® watercraft for years to come with Kawasaki Protection Plus™. This plan repairs or replaces covered components free of charge if found defective in material or workmanship. Everything about the plan is easy: There's no deductible. It's honored at every authorized Kawasaki dealer nationwide. It's transferable to another owner with no fee. Just ask your dealer how you can buy additional coverage of 12, 24, 36, or 48 months depending on the model and plan purchased. FL Lic #65500, Kawasaki Motors Corp., U.S.A., PO Box 25252, Santa Ana, CA 92799, (949) 770-0400.

KAWASAKI CARES

Ride responsibly. Kawasaki believes safety begins with us and continues with you. Always wear a USCG-approved personal flotation device, eyewear, and other appropriate safety apparel. Never ride under the influence of drugs or alcohol. Respect the rights of shoreline residents and other marine recreationists. Boat smart from the start. Take a Boating Safety course; for more information visit www.USCGBoating.org. Jet Ski® watercraft are inboard powerboats and their use is subject to all applicable federal, state, and local boating laws. Read Owner's Manual and all on-product warnings.
