Vulcan® S ABS in Metallic Spark Black

The logo for the Vulcan S motorcycle. The word "Vulcan" is in a white, outlined, serif font, followed by a registered trademark symbol (®). To the right of "Vulcan" is a stylized, white, italicized "S" that resembles a swoosh or a wing.

BREAKING BOUNDARIES

The Vulcan® S sport cruiser has the heart of a sportbike and the comfort of a classic cruiser—a groundbreaking combination that brings together the best of two worlds. New and experienced riders can appreciate the exhilaration produced by an abundance of torque and a responsive chassis in both the Vulcan S and Vulcan® S ABS CAFE sport cruisers.

EXPERIENCE **ERGO-FIT®**

ERGO-FIT® EXTENDED REACH
6'1" AND OVER

ERGO-FIT® MID REACH
5'7" TO 6'0

ERGO-FIT® REDUCED REACH
5'6" AND UNDER

ERGO-FIT® is an exclusive sizing system that creates the perfect fit for riders of all sizes by offering adjustments to the bike's seat, footpegs and handlebar to accommodate the rider's height and reach. With 18 possible configurations between Reduced Reach, Mid Reach, and Extended Reach, ERGO-FIT helps produce a more comfortable and confident riding experience. You can get fitted at a dealership with an ERGO-FIT Center for no additional cost when you purchase a Vulcan® S motorcycle.

VULCAN® S

RIDE IN
STYLE

Sporty performance with vintage styling notes for an unmistakable, confidence-inspiring experience whether you're commuting to work or out day tripping.

☐ Metallic Matte Mysterious Gray

☐ Metallic Spark Black*

*Model available in ABS and Non-ABS.

ENGINE

The Ninja® sportbike-derived 649cc parallel-twin engine is tuned for strong delivery in the low- to mid-range. Incredibly smooth power helps build confidence while sportbike performance characteristics offer a spirited ride as the revs climb.

SUSPENSION

The rear shock features a seven-position preload adjuster to accommodate a variety of riders to ensure a smooth, comfortable ride. Choose a softer setting for a plush feel or stiffer setting for a sportier ride.

Vulcan® S ABS in Metallic Matte Mysterious Gray

VULCAN® S

TAKE COMMAND

WHEELS & TIRES

Sportbike-inspired wheels and high-traction, performance tires add unique style, contributing to responsive handling and offer sporty capability.

VULCAN® S ABS CAFE

PUSH THE LIMITS

Challenge the limits of what a cruiser can be on the Vulcan® S ABS CAFE, inspired by the racing legacy of Ninja® sportbikes. A combination of power and performance is accented by vintage, café-racer style in a revolutionary way.

CAFÉ STYLING

The Vulcan® S ABS CAFE sport cruiser combines confidence-inspiring performance with café-racer styling for a distinct blend of function and form. Café style paint, signature tank badging and sport striping emphasize the vintage spirit.

WIND DEFLECTOR

A compact, dark-tinted wind deflector over the headlight pays homage to retro tradition. The custom look becomes functional by deflecting wind away from the rider for a more comfortable ride.

VULCAN® S ABS CAFE

SPORT MEETS STYLE

ERGO-FIT® ADJUSTABILITY

18 possible ERGO-FIT® configurations cater to the personal preferences of a wide range of riders. Find a comfortable reach with your choice of accessory seat and handlebars. Adjustable clutch and brake levers offer further personalization while three-position adjustable footpegs help keep your legs relaxed as you go the distance.

Vulcan® 1700 Voyager® ABS in Metallic Carbon Gray/Metallic Spark Black

The background of the advertisement is a photograph of a paved road winding through a wooded area. The road is dark and appears to be in motion, with a slight blur. The trees are green and dense, and the sky is a clear blue. The overall tone is dark and moody, with a focus on the road and the surrounding nature.

***vulcan*[®]1700**

BIG
POWER
MEETS MAJOR REFINEMENT

This is Kawasaki design at its finest. A massive 1,700cc fuel-injected V-twin engine churns out rumbling power while a host of premium touring amenities deliver comfort and confidence for long rides.

VULCAN® 1700 VOYAGER® ABS

OPEN ROAD LUXURY

The king of Kawasaki cruisers roars to life with a 1,700cc digitally fuel-injected V-twin engine. Kawasaki Advanced Coactive-braking Technology (K-ACT) ABS and electronic cruise control mark the pinnacle of comfort, control and luxury on the open road. Ample onboard storage comes thanks to dual locking saddlebags and a tail trunk while dual air-assisted shocks optimize damping for a truly enjoyable ride experience.

☐ Metallic Carbon Gray/Metallic Spark Black

CRUISE CONTROL

An innovative electronic cruise control system lets you relax as you soak up the open road. Engage and adjust cruise control settings all from the handlebar. Set your cruising speed (in third gear or above) with the push of a button then accelerate and decelerate all while remaining in cruise control mode.

AUDIO

The AM/FM/WB audio system (with accessory iPod® and SiriusXM® compatibility) boasts powerful speakers. Navigation Audio Prompt Capability works in conjunction with select Garmin® GPS devices (sold separately).

MODERN DASH

The frame-mounted fairing provides generous protection and houses convenient accommodations for you and your passenger. Large, easy-to-read instrumentation features a central LCD screen to keep you informed and in command.

Vulcan® 1700 Voyager® ABS in Metallic Carbon Gray/Metallic Spark Black

All trademarks, registered trademarks, logos and copyrights are the property of their respective owners.

VULCAN® 1700 VOYAGER® ABS

FULLY LOADED FOR THE
LONG HAUL

VULCAN® 1700 VAQUERO® ABS

A BOLD PRESENCE

A roaring engine featuring advanced Kawasaki technology puts the Vulcan® 1700 Vaquero® ABS cruiser in a class of its own with a smooth, reassuring ride. The bold combination of a blacked-out engine, distinct bodywork styling and select chrome accents is paid off with performance that's equally as bold.

■ Candy Imperial Blue

RIDER COCKPIT

Touring style elements in the cockpit are highlighted by the color-matched dash. Classic looks collide beautifully with a host of modern onboard amenities that include an AM/FM/WB audio system with iPod® and SiriusXM® radio compatibility. Below the premium speakers you'll find small locking storage compartments for convenient stowing of electronics, sunglasses and other necessities.

TECHNOLOGY

Rule the road with the advanced technology package that includes Kawasaki Advanced Coactive-braking Technology (K-ACT) ABS and electronic cruise control. Cruise control can be activated in third gear or above so you can relax and enjoy the ride.

ENGINE

Thunderous power is produced by the potent 1,700cc digitally fuel-injected V-twin engine. A six-speed transmission with overdrive puts the power to the pavement.

Vulcan® 1700 Vaquero® ABS in Candy Imperial Blue

VULCAN® 1700 VAQUERO® ABS

BRING THE THUNDER

Vulcan® 900 Classic in Phantom Blue/Pearl Blizzard White

The background of the advertisement is a dark, moody photograph of a road at night or dusk. The road has a yellow dashed line on the left side, and the overall scene is dimly lit, with some light reflecting off the road surface. The text is overlaid on this background.

Vulcan[®] 900

STYLE & ATTITUDE

Turn heads aboard a Kawasaki Vulcan[®] 900, the 903cc V-twin cruiser that's packed with style and attitude. A sleek design is reinforced with premium fit and finish, as well as thoughtful paint details. Add exhilarating exhaust notes and the Vulcan 900 exudes authenticity in every way.

VULCAN® 900 CLASSIC LT

**NEVER OUT
OF STYLE**

The Vulcan® 900 Classic LT cruiser goes great with open-road adventure. Ride in relaxation with a comfortable low-slung sculpted seat and spacious floorboards. Plus, a supple passenger seat and backrest means nobody is missing out. Chrome brass studs give off a sharp look as you clock in mile after mile.

HEIGHT-ADJUSTABLE WINDSCREEN

The scratch-resistant acrylic windscreen is height-adjustable to accommodate a wide range of riders. Find the perfect setting to divert airflow away from yourself for a more comfortable ride.

2-TONE PAINT

Classic two-tone paint is complemented by chrome detailing and an embossed tank logo for a smooth, streamlined look. Trademark performance and dependability are conveyed by an overall stately appearance.

Vulcan® 900 Classic LT in Metallic Phantom Silver/Metallic Carbon Gray

Kawasaki

VULCAN® 900 CLASSIC LT

**ALL THE CLASSIC
COMFORTS**

LEATHER SADDLEBAGS

Reinforced, top-grain leather saddlebags provide ample onboard storage. Deep-dyed leather provides a sharp look while chromed-brass studs conceal quick-release fasteners for seamless style.

VULCAN® 900 CUSTOM

WHEN EVERYTHING COMES TOGETHER PERFECTLY

Make a statement with attention-grabbing style and 903cc of V-twin muscle. The exhaust and contoured fuel tank highlight a striking appearance while deep black elements give off the look of a handcrafted, custom-built bike. Performance is characterized by a smooth ride, balanced handling and steadfast reliability.

COMFORTABLE SEAT

The low-slung seat lends well to a custom appearance and creates an edgy profile. The rider sits low in the chassis for a comfortable ride and an easy reach to the ground. A low center of gravity improves handling, and forward-mounted footpegs are ergonomically positioned for comfort and improved control.

WHEELS

A glossy black finish with gold accents creates a handmade look on these cast-spoke wheels. Stand out from the crowd with an eye-catching 21-inch front wheel that also provides easy maneuvering. In the rear, a beefy 180mm tire wraps around a 15-inch wheel.

VULCAN® 900 CUSTOM

CUSTOM ***ATTITUDE***

DISTINCTIVE STYLE

A glossy black finish with gold accents creates a handmade look on these cast-spoke wheels. Stand out from the crowd with an eye-catching 21-inch front wheel that also provides easy maneuvering. In the rear, a beefy 180mm tire wraps around a 15-inch wheel.

VULCAN® 900 CLASSIC

PURE CLASSIC
ENJOYMENT

Clean, flowing lines make up this classic look. A powerful 903cc engine delivers the muscle to back up the bold appearance. A plush, bucket-shaped seat and spacious floorboards provide all-day cruising comfort so you can enjoy the pure freedom of the open road.

SCULPTED FUEL TANK

A beautifully sculpted 5.3-gallon fuel tank turns heads with clean lines, minimalist styling and integrated instrument panel. The solo gauge features speed, fuel level, odometer and trip meter functions for a pure classic ride.

WHITEWALL TIRES

Whitewall tires and spoked wheels make a true classic. These signature style elements are complemented by full-coverage fenders for a distinguished look. Performance tires (a wide 180mm in the rear) bring modern performance and premium handling capabilities to life.

VULCAN® 900 CLASSIC

SMOOTH RIDER

ENGINE

The potent 55-degree fuel-injected 903cc V-twin engine puts out broad low- to mid-range torque. A smooth-shifting five-speed transmission means consistent power for comfortable all-day cruising and excellent fuel economy means more miles and less stops.
